EUROPEAN
SOLIDARITY
CORPS

WE ARE WAITING FOR YOU!

Who are we?

A.C.T.O.R. exists since 2002.

The Organisation promotes European Solidarity initiatives through voluntary work. We work mainly in the clinical animation field and deliver non-formal session and workshops to kids in Bucharest and surroundings.

As a cultural association we are using a large spectrum of tools and have developed different skills during the past years. We create materials to promote our project like origami, shadow theatre, forum theatre, clinical animation, pedagogical animation, etc.

At the same time, we are conscious that many children and youngsters are not able to have access to artistic or cultural activities of any sort, that's why we start doing workshops in disadvantaged communities outside the capital.

Our Mission

The aim of the project is to foster inclusion and solidarity values, to introduce the sense of community through non-formal education and to support art in the local and rural context.

We operate with two target groups:

Bucharest, the vibrant city

Bucharest is a wonderful capital of multiculturalism. It is the largest city in Romania and the largest commercial center in the whole nation.

The town is full of history, architecture and stunning landscapes as well! In the past, because of its elegant architecture developed in the period between the two World Wars, it used to be called "The Little Paris".

Romanian is the main language, but you'll easily find people who speak English. There are also big community of Italians, Spanish and French and you can easily find them on Facebook groups and meet-ups around the town.

The Old City is known for its large number of terraces, pubs and restaurants. Bucharest is a Green City, the biggest park is Parcul Herestrau (the official name changed recently in Parcul Mihai I, after the last king of Romania), but there is also Parcul Tineretului, Parcul Cismigiu and much more!

Where are we?

We live near the offices, in Sector 4 (we have the tram and metro 5- 10 min by walking).

In less than 5 min you have the main shops (Lidl, Kaufland, Shop & Go, Mega Image) + 10 min by Tram (1 or 10) you have Sun Plaza, one of the biggest malls in Bucharest (H&M, Zara, Sarbucks, etc.)

You will be close to parks: Parcul Vacaresti, Parcul Tineretului etc.

Accommodation

The volunteers will live in a 3/4-room flat. They will share their room with a person of the same sex.

Two of our apartments can host up to 6 people (three bedrooms with two beds) and one apartment can host up to 4 people (two bedrooms with two beds).
